

PRODUCT GUIDE

LOVELY TO MEET YOU

Welcome to the Top Dog Product Guide. Inside, you'll get a peek at all our beautiful products. Each has been hand-selected for its quality and style. Before you head in, a little about us...

At Top Dog Photography, we believe in letting dogs be dogs! After all, that's why we love them, right? A happy & relaxed dog makes for photographs bursting with personality!

One last thing, every single one of these products comes with a 100% satisfaction guarantee. If you don't adore your finished products, we'll replace them. No questions asked.

If you have any questions about anything in this guide, or about our sessions, I'll be more than happy to help you.

SESSIONS

Signature Session

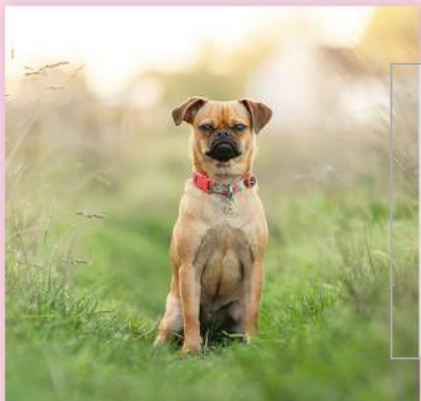

Set at a gorgeous local location,
A happy dog coupled with
beautiful sunset light = pure gold!

£35

Studio Session

Our portable studio comes to
your home where your dog is
comfortable and relaxed
throughout.

£35

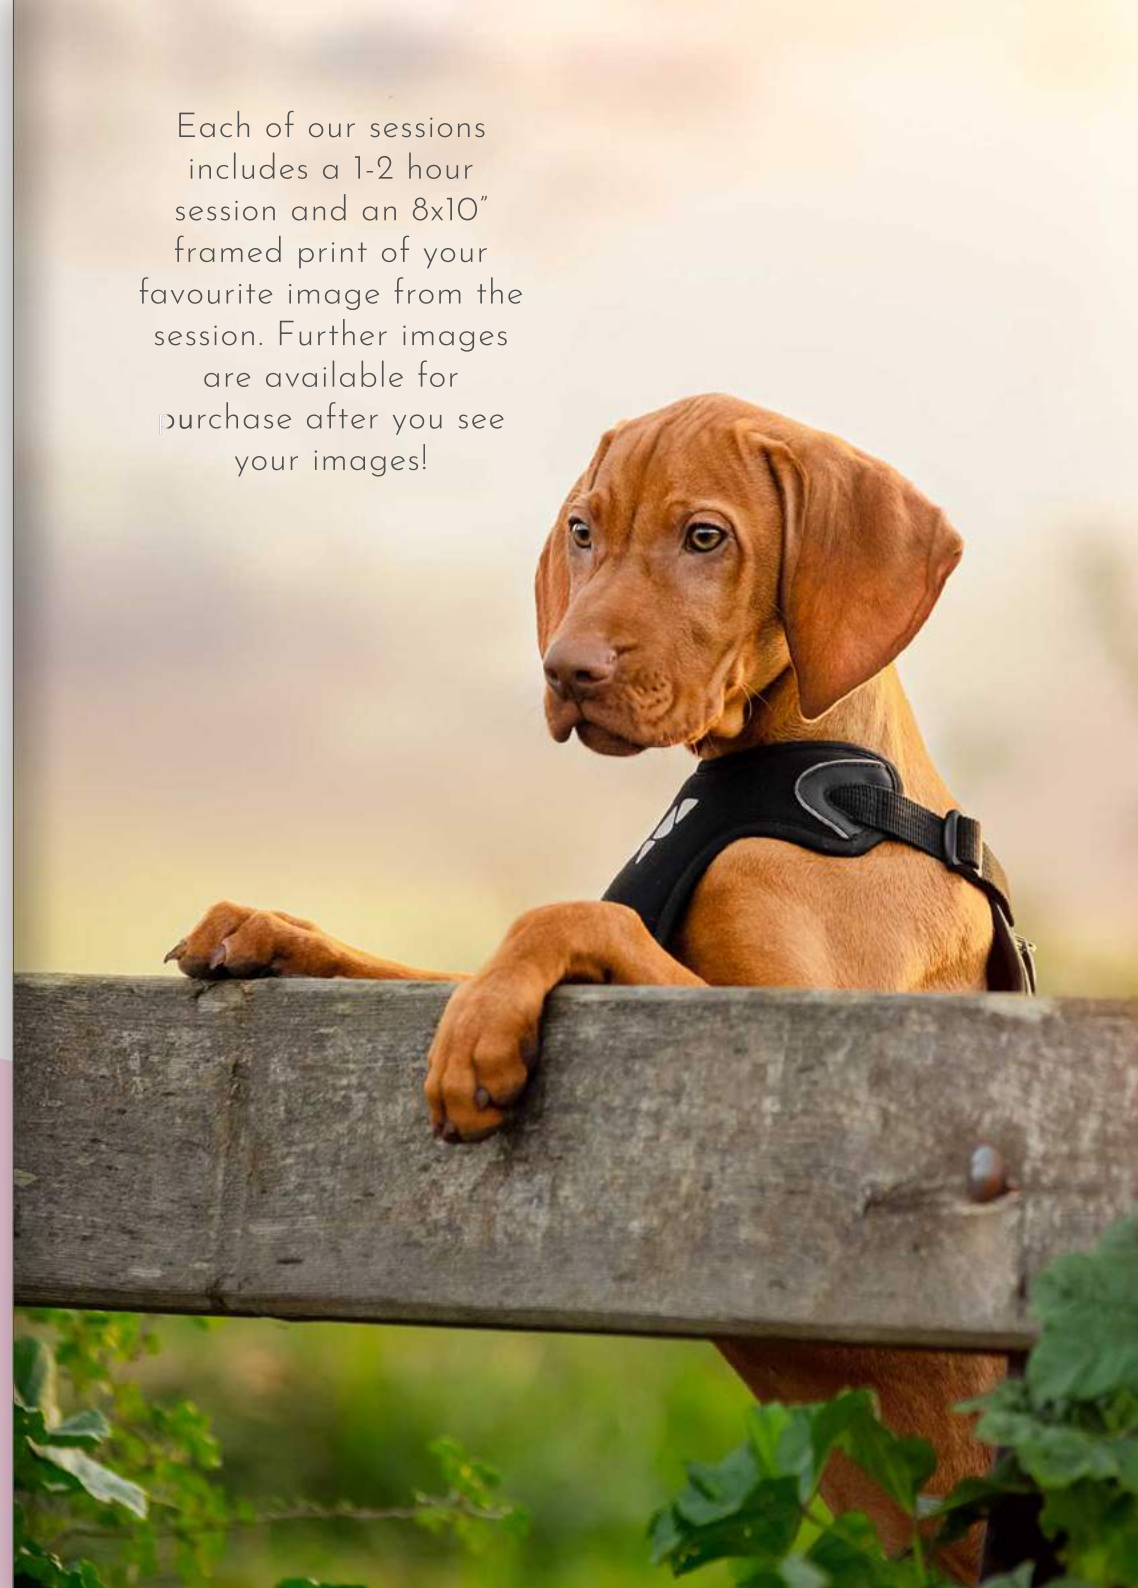

Complete Experience

Classic studio portraits or
brilliant sunlit on-location
photos? If you can't decide, just
do both!

£55

Each of our sessions
includes a 1-2 hour
session and an 8x10"
framed print of your
favourite image from the
session. Further images
are available for
purchase after you see
your images!

AFTER YOUR SESSION

Once your session is done, sit back and relax while your gallery is finished. Within a week or two, we'll be in touch to invite you to a viewing to see your images. Alternatively, we can send your printed proofing gallery to you so you can view your images at your own pace.

When you have decided which images you can't live without, you're ready to select your products. A excellent place to start is with our Collections, which include our most popular products at great value.

We have no minimum order value - you only buy what you love. Of course, if you have something in mind that you don't see here, we're more than happy to create custom artwork.
